## WORK EXPERIENCE

**Grocery Clerk** *June 2018 - December 2018* - responsible for maintaining and organizing the shelves, assisting customers, and ensuring the smooth operation of a grocery store. My duties often include stocking shelves, inventory management, customer assistance, price checks, cleaning and maintenance, cashier, rotating stock, and assisting with deliveries. I often serve as the face of the grocery store, ensuring shoppers have a pleasant experience.

**Jollibee Crew** *Jan 2021 - October 2021* - responsible for delivering excellent customer service, maintaining cleanliness, and ensuring that the Jollibee dining experience meets the brand's high standards. Us crew members work in a fast-paced environment, handling various tasks to contribute to the restaurant's efficiency and customer satisfaction.

**Computer Installation Clerk** *March 2023 - December 2023* - responsible for assisting in the setup, installation, and configuration of computer systems, hardware, and related equipment in a variety of environments. I often work in the office, homes, or corporate settings and interact directly with clients or employees to ensure systems are operational.

## PROJECT EXPERIENCE

### KodeGo - Full-Stack Web Development Bootcamp

*June 2024- November 2024* Tools used: HTML, CSS, JavaScript, ReactJS, Tailwind, PHP, Laravel, MYSQL

I was trained for Front-End and Back-End Development, database management, integration, debugging and testing, collaboration, and Version Control and deployment.
